latin land

Una sola terra latina che unisce e accoglie le diversità, abbattendo le distanze con un'unica voce musicale appassionata e solidale, che esegue vari stili latini: *bossanova, bolego, cha cha, morna, choro, fado, mpb* (musica popular brasileira), *reggae, samba*, personalizzandoli secondo il proprio sentire.

A single latin land that unites and welcomes all diversities by breaking down distances with a single passionate and supportive musical voice, that plays different latin sounds personalizing them by its own feeling.

A MINHA QUERIDA GUITARRA

*(Simona Palumbo music
Paulo Barao lyrics)*

as cordas de uma guitarra
soltam-se saudades vencidas
tocam melodia com garra
em sons de emocoões sufridas

nessa alegoria dos sentidos
a fadista embala sua voz delicada
e com ela os choros submentidos
de quem morre pela sua amada

profecias de um xaille tracado
de quem muitos palcos passou
tons de envidiram alguém amado
num fado cantado e que terminou

UN'ONDA

*(Mauro Gurlino, Luca Ragagnin, Simona Palumbo lyrics,
Mauro Gurlino music)*

come farmi venire
pensieri lucidi
quando sto ascoltando
una canzone

come un profumo
che ricordi
e ricompare
il suo viso

e sono al centro treno
ci sono i piatti caldi
e volevo capire ma
toccava partire

e mi chiedo com'è
che sono andata
sarò
sarò cambiata?

un segreto non c'è
ma mi è bastato
un nome
un nome per ricordarmelo

e sono in fondo al treno
le rotaie si sfiorano
ma volevo capire se
la distanza è un abbaglio

e mi chiedo com'è
che son tornata
cos'è
cos'è cambiato?

un segreto non c'è
ma mi è bastato
un nome
un nome per ...

e mi chiedo com'è
che son tornata
cos'è
cos'è cambiato?
un segreto non c'è
ma mi è bastato
un nome
un nome per ricordarmelo

non basta stare insieme/per stare bene
ormai è troppo tardi
dicevi e
il treno sfiora il mare
serve concentrarsi
per ricordarsi di un'onda
un'onda che va e che ritorna
sì
un'onda che va
un'onda che va
